BiblioLife. Paperback. Book Condition: New. This item is printed on demand. Paperback. 128 pages. Dimensions: 8.0in. x 5.0in. x 0.3in. The object of this little book is threefold. First, to convey lessons on the structure of the English language, in a more gradual and perhaps pleasanter manner than can be done by the study of the usual grammars (though these are necessary too), and perhaps in a manner better suited to the restless and volatile intelligences of children; Secondly, to draw out and stimulate the reasoning faculties as exercised in the endeavour to follow an elaborate thought, elaborately expressed ;and, Thirdly, to serve as an introduction to some of those masterpieces of English thought and expression, which alone, in the writers opinion, can be the true foundation of any rational study of the English language. With regard to the method adopted to produce these results. Most of the following lessons have been used in a schoolroom, and prepared by a boy of ten or eleven years of age four of them by a girl of fourteen. They were made simple to suit average intelligences, and at the same time have perhaps an air of elaborateness, caused probably by the manner in...
