Whatever you're trying to learn about the world—as a journalist or as an informed citizen—public records often hold the key. But what records, where? And how to get them? It starts with understanding the Freedom of Information Act, but what you really need are strategies for dealing with the officials who stand between you and the information you seek. Gaining access to records is an art, one that requires an organized approach and a good understanding of human behavior. The Art of Access is a how-to guide for putting the law into action and using ingenuity to pry records loose. Building on their own experience and interviews with more than 100 practitioners, FOI experts and longtime journalists David Cuillier and Charles Davis help you rethink the information-gathering process and develop a document state of mind. With Cuillier and Davis's strategies, get ready to: overcome roadblocks and illegal denials; better understand government officials' perspectives...
