Hodder & Stoughton General Division. Paperback. Book Condition: new. BRAND NEW, More Like Her, Liza Palmer, 'I'm not the girl men choose. I'm the girl who's charming and funny and then drives home alone wondering what she did wrong. I'm the girl who meets someone half-way decent and then fills in the gaps in his character with my own imagination, only to be shocked when he's not the man I thought he was. I'm the girl who hides who she really is.' Frannie has spent her life disguising who she really is for fear of falling short of other people's expectations. And when she meets her new boss, Frannie can't help but wish she was just a bit more like her. Because Emma has it all: the job, the lifestyle, the happy marriage, even the perfect dog. But everything is not as it seems. And Frannie's about to find out - in the hardest way possible - that chasing perfection isn't necessarily the route to the happy life that she's always imagined it to be. A heartbreaking and romantic story about love, life, friendship and the true importance of chasing your own dreams.
