Book Condition: New. Publisher/Verlag: Random House US | A Jack Reacher Novel. Includes exclusive Bonus material | The New York Times calls Jack Reacher "one of the most enduring action heroes on the American landscape." With each new entry, critics fall harder for Reacher and legions of new fans climb on the bandwagon. For the first time ever, Reacher travels to Europe - with a target on his back and the fate of the global political community hanging in the balance. | Jack Reacher returns in another fast-moving, action-packed, suspenseful book from Lee Child. You can leave the army, but the army doesn't leave you. Not always. Not completely, notes Jack Reacher-and sure enough, the retired military cop is soon pulled back into service. This time, for the State Department and the CIA. Someone has taken a shot at the president of France in the City of Light. The bullet was American. The distance between the gunman and the target was exceptional. How many snipers can shoot from three-quarters of a mile with total confidence? Very few, but John Kott-an American marksman gone bad-is one of them. And after fifteen years in prison, he's out, unaccounted for, and likely drawing a bead on a G8 summit packed with enough world leaders to tempt any assassin. If anyone can stop Kott, it's the man who beat him before: Reacher. And though he'd rather work alone, Reacher is teamed with Casey Nice, a rookie analyst who keeps her cool with Zolof. But they're facing a rough road, full of ruthless mobsters, Serbian thugs, close calls, double-crosses-and no backup if they're caught. All the while Reacher can't stop thinking about the woman he once failed to save. But he won't let that that happen again. Not this time. Not Nice. Reacher never gets...
