Createspace Independent Publishing Platform, United States, 2012. Paperback. Book Condition: New. 278 x 216 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Two ideas motivated this anthology of articles published in our quarterly, the Naval War College Review. First, the U.S. Navy is today at a critical point in its history. At a time when the nation is at war-with campaigns in two countries and engagements across the globe as part of the war on terror-the roles and missions traditionally assigned to the Navy have been called into question. Budget pressures have forced the service to reevaluate shipbuilding plans for several ships, including the DD(X) family. Second, it has been nearly ten years since selections from the Review have been compiled in a single, easily accessible volume; in that time there have appeared a number of articles that particularly deserve a second or third look by those who study and practice national security and naval affairs. The articles in this volume speak directly to the Navy's evolving role in the national and military strategies. The collection should serve as a handy reference for scholars, analysts, practitioners, and general readers interested in naval issues, and also that it will be useful for adoption as a reading by national security courses both in the United States and abroad. While the articles here certainly do not exhaust the range of views and important issues involving naval operations, strategy, or tactics, they do form a foundation for those interested in learning more. Moreover, they have enduring value; the perspectives and analyses they offer will not go out of fashion. The articles are reprinted exactly as they originally appeared, except that: proofreading errors noticed since original publication have been silently corrected; biographical notes have been updated; copyrighted art has been omitted;...
