Physics Education Limited, United Kingdom, 2015. Paperback. Book Condition: New. 214 x 149 mm. Language: English . Brand New Book ***** Print on Demand *****. As the human race continues to pursue a better understanding of nature, the world, and the limitless universe, physics continues to play an increasingly important role in our existence. Author Brian Mills, CPhys, MInstP, makes a passionate contribution to the field by improving physics education and fostering a deeper public interest in the subject. This guide, while specifically designed for students preparing to take the GCSE or IGCSE examinations, will appeal to anyone interested in a deeper understanding of physics. With Mills's accessible explanations, it is also an indispensable tool for teachers wanting to incorporate more physics into their science curriculum—even if they don't have the formal training to instruct the subject at a higher level. Comprehend the mathematics. Master the formulae. Take the practice tests to assess your understanding, and check your success using the answer key tucked into the back of the book. You will find yourself developing a skill set in a way you never expected, acing those intimidating examinations and gaining a more informed perspective of the world, and universe, around you!.
