### Reviews

*Totally one of the better publication I have actually read through. It really is rally fascinating throgh studying time period. Its been printed in an extremely simple way and is particularly just following i finished reading through this ebook in which basically modified me, modify the way i think.*

Random House Children's Publishers UK. Paperback. Book Condition: new. BRAND NEW, Witchstruck, Victoria Lamb, Meg Lytton has always known of her dark and powerful gift. Raised a student of the old magick by her Aunt Jane, casting the circle to see visions of the future and concocting spells from herbs and bones has always been as natural to Meg as breathing. But there has never been a more dangerous time to practise the craft, for it is 1554, and the sentence for any woman branded a witch is hanging, or burning at the stake. Sent to the ruined, isolated palace of Woodstock to serve the disgraced Elizabeth, daughter of Henry VIII and half-sister of Queen Mary, Meg discovers her skills are of interest to the outcast princess, who is desperate to know if she will ever claim the throne. But Meg's existence becomes more dangerous every day, with the constant threat of exposure by the ruthless witchfinder Marcus Dent, and the arrival of a young Spanish priest, Alejandro de Castillo, to whom Meg is irresistibly drawn - despite their very different attitudes to her secret. Thrilling and fast-paced, this is the first unputdownable story in a bewitching new series.
