

Unified Accounting Methods for Industrials (Classic Reprint)

By Clinton E Woods

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Unified Accounting Methods for Industrials Somewhere, somehow, sometime, in the universal makeup of things, a relationship will be found to exist between all things that function toward a common end. Activities using the same elements must in some way be dominated by a common principle. If this can be discovered it will serve as a clue to guide the investigator to his goal or enable him to return to the beginning of things for a fresh start if analytical ramifications have led him too far afield. It is with this thought firmly fixed in his mind that the writer has undertaken this work. Its subject matter is not new, but it is treated in a new way to reveal more clearly this condition of relationship. The scope of this work is limited to industrial or manufacturing activities, although the principles herein set forth are susceptible of a much broader application. It should be borne in mind that this is a day not only of specialists, but also of specialities, and that the cunning of the...
