

## Remote Control

---

By Andy McNab

Transworld Publishers Ltd. Paperback. Book Condition: new. BRAND NEW, Remote Control, Andy McNab, Tough, resourceful, ruthless - as an SAS trooper, Nick Stone was one of the best. Now he's back on the streets. After a botched mission, the Regiment no longer want his services. But British Intelligence does - as a deniable operator. It's the dirtiest job in a very, very dirty world. In Washington DC, it's about to get dirtier still. On the apparently routine tail of two terrorists, he discovers the bodies of an ex-SAS officer and his family. Soon he's on the run with the lone survivor of the bloodbath - a seven year old girl. And whilst she can identify the killers, only Stone can keep them at bay - and solve a mystery whose genesis takes him back to the most notorious SAS mission in recent history. "Remote Control" is the first of Andy McNab's blistering Nick Stone thrillers - bestsellers whose landscape is so compellingly close to the truth that they had to be vetted by the Ministry of Defence, and could only be published as fiction.
