Rudolf Steiner Press. Paperback. Book Condition: new. BRAND NEW, The Second Coming of Christ, Rudolf Steiner, "The being whom we call Christ once walked the earth in flesh and blood at the beginning of our era. He will never again return in a physical body, for that was a unique event and will not be repeated. But He will come again in an etheric form in the period I have mentioned. People will learn to perceive Christ by virtue of growing towards him through this etheric perception." Many contemporaries were unaware of Christ's incarnation on earth at the beginning of the modern era. And today, says Rudolf Steiner, many remain ignorant of the most important event of our time: the appearance of Christ in the etheric - or life - realm of the earth. Fundamentalist and millennial groups await a second physical incarnation, while atheists and materialists deny spirit altogether. Nevertheless, an incisive transformation is taking place in the human soul that will lead to an emerging clairvoyance. Just as Paul perceived Christ at Damascus, so may every human being experience Him today. Also available as an Audio Book.
