The years have been kind to Nessa and Galen. Their lives have been filled with glamour, money (and more than a little cocaine) in a world where passion, clothing and steamy nights all merge into a tapestry of hedonism unsurpassed. Their days are filled with laughter, passion, and friendship, with undercurrents they all feel, but all choose to ignore. Then one day, Galen must reach back into the past, taking Nessa with him. A past filled with darkness, heartbreak . and a child they ve only seen once. Nessa has willed herself not to remember . but now, none of them has a choice. Add to the mix a shape-shifting wolf for a Nanny and a vampire who loves his Harley, and you have a story that reaches through the past, to the future, to the present . and then back to the past . to save the life of a beautiful little girl.who happens to be the most powerful witch ever conceived. Nessa doesn t want to go back, but to save the child, she will do anything necessary . even re-live, over and over, the night when the child was conceived in horror and fear. She must conquer her past and find her own powers . but can she risk the man she loves . or the man who is her soul mate . or both?.
