Brand New Book ***** Print on Demand *****.Excerpt from Critical and Exegetical Handbook to the Gospel of John, Vol. 1 The translation of this first part of Dr. Meyer s Commentary on John has been executed from the fifth edition of the original by the Rev. William Urwick, already known as the translator of several works published by the Messrs. Clark. It has, however, been revised and carried through the press by myself at the request of Dr. Dickson, who, with the assent of the publisher, had asked me to join him in the editorship of the series. In order to secure as great uniformity as possible between this volume and the two already edited by Dr. Dickson, that gentleman was kind enough to read the proofs of the first few sheets, and I also had the benefit of his judgment and experience upon some points of difficulty that occurred in the earlier pages. References have been made not only to Dr. Moulton s translation of Winer s Grammar of New Testament Greek (published by Messrs. Clark), but also to the translation of Alex. Buttmann s Grammar (New Testament Greek), by Professor Thayer, of the Theological Seminary, Andover, which has recently appeared. These references, it is hoped, will be useful to students of the original A list of exegetical works upon the Gospel of John will be prefixed to the second volume, which will complete the Commentary upon the Gospel.
