## Small Wind Systems for Rural Energy Services

By Smail Khennas, Simon Dunnett, Hugh Piggott

ITDG Publishing. Paperback. Book Condition: new. BRAND NEW, Small Wind Systems for Rural Energy Services, Smail Khennas, Simon Dunnett, Hugh Piggott, This book provides a concise guide to all the essential steps for setting up wind business services in developing countries. It deals with all the key aspects of promoting wind energy for domestic end uses, as well as giving a guide to needs assessment, resource assessment, the economics of small wind machines and technology choice. Most of the practical information explained in this book is taken from installations in Peru and Sri Lanka. The book describes the factors critical for sustainable development of small wind systems in rural areas. It also addresses the challenge of scaling-up, defined as the conditions and the strategy needed to move from a limited number of units to a widespread sustainable industry. Institutional aspects, business development and the policy environment are also examined.
