Blue Rider Press, United States, 2015. Hardback. Book Condition: New. 201 x 132 mm. Language: English . Brand New Book. AT 162 GAMES, it is the sports world's longest season. Grueling. Thrilling. Routine. Lonely. Exhilarating. Major league ballplayers even have a name for this relentless, unmatchable rhythm: The Grind. In The Grind, Barry Svruga, The Washington Post's national baseball correspondent, zooms in on the 2014 Washington Nationals, reporting not just on the roster's star players, but also on the typically invisible supporting cast who each have their own sacrifices to make and schedules to keep. There's The Wife, who acts as a full-time mom, part-time real estate agent, occasional father, and all-hours dog walker; The 26th Man, a minor leaguer on the cusp of job security who gets called up to the majors only to be sent back down the very next week; The Reliever, one of the most mentally taxing, precarious, and terribly exposed positions on any pro squad. These and many more players, scouts, equipment managers, and even travel schedulers create the fabric of Svruga's intimate and unusual book; they could be from any team or any big-league city. As he writes: There is no other sport with an everydayness, a drum-drum-drum beat like baseball. Built on material that appeared in The Washington Post, Svruga's book is a raw, inside look at the wear and tear, the glory and impermanence, of America's pastime.
