Reviews

A really great publication with lucid and perfect reasons. I have read through and i am confident that i am going to gonna read yet again yet again down the road. It is extremely difficult to leave it before concluding, once you begin to read the book.

Penguin Books Ltd. Paperback. Book Condition: new. BRAND NEW, The Thomas Paine Reader, Thomas Paine, Michael Foot, Isaac Kramnick, This major collection demonstrates the extent to which Thomas Paine (1737-1809) was an inspiration to the Americans in their struggle for independence, a passionate supporter of the French Revolution and perhaps the outstanding English radical writer of his age. It contains all of Paine's major works including "The Rights of Man", his groundbreaking defence of the revolutionary cause in France, "Common Sense", which won thousands over to the side of the American rebels, and the first part of "The Age of Reason" (Part One), a ferocious attack on Christianity. The shorter pieces - on capital punishment, social reform and the abolition of slavery - also confirm the great versatility and power of this master of democratic prose.
