

## Concise Rules of APA Style (6th Revised edition)

By American Psychological Association

American Psychological Association. Spiral bound. Book Condition: new. BRAND NEW, Concise Rules of APA Style (6th Revised edition), American Psychological Association, The Concise Rules of APA Style, Sixth Edition offers essential writing and formatting standards for students, teachers, researchers, and clinicians in the social and behavioural sciences. This easy-to-use pocket guide, compiled from the sixth edition of the Publication Manual of the American Psychological Association, provides complete guidance on the rules of style that are critical for clear communication. Readers will learn how to avoid the grammatical errors most commonly reported by journal editors; how to choose the appropriate format for statistics, figures, and tables; how to credit sources and avoid charges of plagiarism; and how to construct a reference list through a wide variety of examples and sources. In addition to guidance on grammar points that have challenged writers in the social sciences, the Concise Rules provides suggestions for reducing bias in language; reviews the mechanics of style for punctuation, spelling, capitalisation, abbreviation, italicisation, headings and quotations; examines the preferred use of numbers as well as standards for metrification and statistics; provides guidance on the construction and formatting of tables, figures and appendixes; and offers clear examples and models...
