iUniverse, United States, 2008. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The world we live in grows increasingly schizophrenic: on the one hand spiritual gurus sell millions of books and crisscross the land teaching enlightenment; on the other the entertainment industry assaults the teeming masses with ever increasing levels of vulgarity. Within ourselves the same forces seem to pull us relentlessly in this direction then that. Why are we so apt to teeter and totter? How can we find balance and hold it? And if we can find a peaceful center within us, might it be a place where we can grow deeper and more truly empowered as human beings? Might it be a place where we draw nearer the very Source of life? These are the issues explored in LIVING IN THE GOLDEN CIRCLE. This is an impressive and insightful project with true eloquence and originality. J. Patrick Miller Publisher, Fearless Books.
