This book is designed as a resource for work-life balance, a tool to help you increase productivity during the final two hours of work by up to 47 percent, content to fuel employee communication, and a curriculum that departments can use in weekly or monthly meetings to keep everyone working at their best. * Author Andy Core is a credentialed, award-winning thought leader on increasing employee engagement, productivity, and wellness motivation; his talent lies in helping hard-working, conscientious adults thrive at work and in their personal lives Turn wasted hours into tasks accomplished by following the methods found in Change Your Day, Not Your Life.
