Dive right into the heart of the dramatic downfall of Anne Boleyn, the second wife of Henry VIII. From Anne's rivalry with Jane Seymour, to her last days and her execution, this account captures the moments at the very heart of Anne's fall from favour. Plunging the reader into the middle of the story, this is narrative history at its most evocative and readable. Charting the events leading up to Anne's death through accounts of several members of the Tudor court, P. Friedmann is able to build up a picture of Anne's final days.
