God gives every believer a spiritual gift the moment he or she accepts Christ. Many Christians haven t identified their gifts, or they re not sure how to use them for God s glory. In the ten lessons of Ministering Through Spiritual Gifts, Dr. Charles Stanley encourages you to pinpoint your God-given strengths by exploring the seven gifts in Romans 12. He then challenges you to consciously develop your gifts- not for your own personal gain, but to minister to others and to ultimately bring glory to God. Dr. Charles Stanley s Bible study guides feature the insights and wisdom of this beloved pastor and author. Small groups and individuals who want a Bible study that s spiritually-sound and practical will find a wealth of ideas to help them understand and apply the Scriptures to the real world. Each title takes a unique four-fold approach to get the most out of Bible study time-emphasizing personal identification with the Scripture passage, recognition of your emotional response, reflection of the passage s meaning and application, and taking steps to apply what s been learned. This is a sound way to explore the Word of God.
