B-272645 In light of these Internet initiatives and the strong consensus against the database, we do not believe that federal agencies should be required, at this time, to create a comprehensive, governmentwide, and government-maintained database to store, retrieve, and analyze market data. We performed our work in agencies that were listed in the Federal Scope and Procurement Data System as large buyers of goods and services. These Methodology included, , the National Aeronautics and Space Administration DOD GSA NASA EPA (), , and the Department of Transportation (the Federal Aviation Administration and the Coast Guard). More specifically, we interviewed officials from (1) the Naval Sea Systems Command and the Space and Naval Warfare Systems Command; (2) the Office of the Assistant Secretary of the Army for Acquisition, Research, and Development, the Army Contract Support Office, and Communications and Electronics Command; (3) the Air...
