I just began reading this pdf. It is actually written in straightforward words instead of hard to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding. (Jensen Bins)

Howard Books, United States, 2011. Paperback. Book Condition: New. Reprint. 213 x 137 mm. Language: English . Brand New Book. What if you, personally, could make the world a better place . . . by tomorrow? Debbie Macomber knows the secret to doing exactly that! In a world that too often seems stingy and grudging, she has witnessed how one simple act of generosity can yield unforeseen miracles. You are about to discover, through true stories, what happens when we commit intentional acts of generosity. Come with Debbie late one evening through the checkout line at the grocery store. Visit a midwestern train station. Discover the link between a submarine, a few bread crumbs, and some minnows. Visit ancient Galilee as a young boy volunteers his meager lunch and watches in amazement as it is multiplied many times over to feed five thousand. Listen in on a phone call with an elderly widow who has a life-touching gift to share. You will stand amazed at what God accomplishes when we make ourselves available through simple acts of generosity. Debbie Macomber invites us to live with open hands, offering who we are and what we have to others. When we do so with an eager sense of expectancy, lives including our own are changed in ways we never envisioned. All it takes is one simple act.
